4. Public Health Proposals

Minor Changes

B.S. in Public Health math requirement

Response from petitioner

Motion to Approve Emmer, Rebelo

Approved 7-0-0

5. COMM Proposals

Second Reading

New Course COMM201 Concepts in Communication

Motion to Approve Emmer, McKinley

Motion to Approve with suggestion to rethink description and verify with Registrar how course will be handled in terms of fulfilling requirement MacPhee, McKinley

Members of the committee are concerned that this may prevent complications with degree audits, etc., and recommend that the registrar's office be contacted to make sure this won't cause problems.

Approved 7-0-0

6. Community Development Proposals

Returned by Faculty Senate for more clarification

New Course CD 557 Thesis Research Proposal Development

New Course CD 558 Graduate Thesis Capstone

New Program Community Development, MA

Tabled at request of SSNS Faculty for more time to investigate program

Requested of Senator Rebelo (SCS) that documentation of faculty credentialed to teach graduate level courses be provided to answer Faculty Senate concerns in the meantime. Senator Rebelo (SCS) provided verbal verification of the (4) Ph.D.'s and (1) Ed.D. holders as indeed aligned and qualified by way of their degree holding status.

Senator Rebelo also asked if this proposal was indeed passed in prior meetings; it was verified as such. Then Senators discussed how resolution might be achieved by providing evidence of experience to which Senator Rebelo replied he'd send an email to the CD author (Palermo) exploring that request as possible.

7. Computer Science Proposals

First Reading

New Program B.A. in Computer Science

Motion to Approve pending addition of Business Plan for new program Hall, Rebelo

Approved for First Reading 7-0-1

Second Reading

New Program B.S. in Computer Science/Intelligent and Autonomous Systems Specialization
