Executive Committee Meeting

May 9, 2013

In attendance: President Farish, Provost Workman, Senate President Speakman

1. Speakman shared the results of the Senate elections

2. New policy on Pass/No Pass will be in the coming catalog.

3. The president and provost agree that a committee to advise Assoc. Provost Guilan Wange re. off-campus study programs is a good idea, and she is going to implement it.

4. The issue of the “collaborative learning environment” was discussed. Speakman suggested that a faculty–wide discussion of the concept would be helpful and that full discussion of changes in classroom configuration should occur before any changes are made.
