Meeting was called to order at 2:00 pm.

- **Committee Business**

- No business at this time

- **Second Readings** (dates signify when these petitions arrived at FSCC)

- **SCS**

These petitions were returned to the FSCC from the Senate for a re-vote regarding Social Sciences division review and documentation issues.

- Speakman reported in the senate that she did not review 340, 436, or 440.
- Shelton contends that Speakman did review four of the five petitions. Shelton has withdrawn the fifth petition (440, advanced research methods).
- One of the four had originally been titled "capstone" is now "seminar" - cites banking and un-banking issues.
- Petitioner is removing any mistakenly attached documentation of consultation or review by the Social Sciences Division faculty/chairs.

NEW	COURSE	SOCS	440 Advanced Social Science Research Methods	12/09/2016
Notes: First Vote: Motion to approve the above four courses as a block: Shelton, Tehrani (7-0-0-3) SOCS withdrawn for the time being				

CHAIR advised that petitioners AND representatives ensure that language in petitions coming to the FSCC be consistent so that confusion can be avoided. Any FSCC requested changes in terminology or documentation will be recorded in the minutes so there is a paper trail that can be followed.

- **GSB**

NEW	PROG	MGMT	Business Analytics, MINOR	02/24/2017
Notes:	<p>Discussion of courses to be required and which can be electives. 3/8/17: Motion to approve for a first reading: Pearce, Emmer; 8-0-0-2</p> <p>4/12/17: GSB rep objects to the inclusion of BUSN 469 Coop as an elective in the Minor. GSB rep reports that this petition was not reviewed by the MGMT faculty before being brought to the GSB CC (cites RWU Curriculum Policies - Documentation.) There is no documentation attached to the petition for Area Review. The Petitioner is requested to document review/approval of MGMT area with a sign-off sheet or relevant Minutes/Emails.</p> <p>Motion to approve the minor for a 2nd reading pending documentation of approval from MGMT: Moskowitz/Emmer: 6-2-0-2</p>			

- **Minor Changes**

- **CAS**

MNR	PROG	MUSIC	Music Minor	03/08/2017
Notes:	Motion to approve: Moskowitz/Emmer: 8-0-0-2			

- **SECCM**

MNR	COURSE	ENGR	210 Engineering Statics	02/22/2017
Notes:	<p>Bring to meeting (Emmer) (8-1-0-1) Construction Management faculty needs to review these changes since it impacts their majors. CurricuNet did not allow the CM faculty to see changes to the course. Therefore, the proposer of the changes did not know that there might be an impact to the CM major. 3/8/17: Motion to table Tehrani, Emmer; 7-0-0-3</p> <p>Petitioner included PDF of email to the CM faculty requesting feedback. Reports no feedback received. 4/13/17: Motion to approve: Moskowitz, Hall; 7-0-1-2</p>			

- **First Readings (New and Major petitions)**

- **SCS**

NEW	PROG	CONST	Masters certificate in construction management, CAP	03/07/2017
Notes:	<p>Petitioner has withdrawn the petition pending a more thorough scaffolding of this program with the existing (although dormant) Masters in Construction Management. Among the concerns were the title of the CAP -- using the term "Masters" might be misleading; the usage of similarly numbered courses when the rigor and outcome expectations of the courses would not be the same; would there be a path for certificate holders to apply course work to the masters? Motion to table: Emmer/Winfield 7-0-0-3</p>			

At this point we no longer had a quorum as three members had to leave.

Agreed to arrange for another meeting on April 26 at 3:30 pm (so as to not conflict with the GECPC meeting which meets at 2:00 pm). This will also allow us to review and vote on petitions that might come to our queue by April 19 EOB, in order to bring these to the Senate for the May meeting.

Motion to Adjourn: McMullen, Emmer; 3:20 pm
